### Certification

- 2024 UI/UX Certificate
- 2024 Nasaspace hackathon
- 2023 Cryptography
- 2023 python-programming

# A. Rohini Reddy

**BTECH - CSE** 

## **Synopsis**

Driven and detail-oriented Computer Science student with a strong foundation in front-end development, including proficiency in CSS, HTML, and Python. Experienced in creating intuitive and visually appealing UI/UX designs, with a focus on enhancing user experiences through innovative and effective solutions. Possess strong analytical and problem-solving skills, with a passion for leveraging technology to deliver impactful software solutions. Expected to graduate in May 2025 and eager to contribute to dynamic teams and projects.

### **Academics**

NARAYANA HIGH SCHOOL | Hyderabad

2018 - 2019

Woxsen University | Hyderabad

2021 - 2024(pursing) **BTECH CSE** 

SRI CHAITANYA JUNIOR COLLEGE | Hyderabad

2019- 2021 | Intermediate

## Internship

March-2024 to June 2024

Think again lab | kolkata, Hyderabad

#### UI/UI design

The UI/UX design internship program aimed to equip participants with key skills in user interface and user experience design, covering topics like design principles, usability, interaction design, wireframing, and prototyping.

- Designing intuitive and visually appealing user interfaces.
- Conducting effective user research and analysis.
- Problem-solving and creating innovative solutions.
- Collaborating effectively with cross-functional teams.

The internship focus on real-world projects prepares students for industry challenges, promoting continuous learning and adaptability.

## **Projects**

- Machine Learning Project Based on License plate Reader.
- Facial Recognition Project.
- cryptography project.
- UI/UX design related project
- Fairness in Group Recommendation Systems
- smart battery management for renewable energy storage systems using ml
